The Dodge City Community College Endowment Association is a not-for-profit organization dedicated to supporting academic excellence at Dodge City Community College. Funds are raised, and scholarships awarded, through volunteer efforts. Scholarship funds are limited, and awards are based on the availability of funds. As a general practice, awards are made for the Fall semester and continued for the Spring semester if the student maintains an acceptable GPA; however the amount of the award may be either increased or decreased depending on the availability of funds.

The Endowment Association scholarship per-semester award is based on a points system according to the following criteria:

- Completeness of application
- Academic Standing
- Planned Enrollment
- Other Sources of Financial Aid
