

# Dodge City Community College Foundation

The foundation's board of directors generously volunteer their time, talent, and resources to help sponsor events that directly benefit the lives of students at DC3 while creating a spirit of community. They host a variety of events each year, including an auction and a golf tournament. The Dodge City Community College Foundation is a separate 501(c)(3) tax exempt organization working to provide funding for student and college needs not otherwise covered by tuition and tax revenues. With the help of generous donors, the foundation helps students of all ages reach their dreams of careers, better jobs, or four-year degrees.
