To Whom It May Concern:

Dodge City Community College would like you to know that there has been an update to our previous request for bid proposals **BID# 21-016 DC3 Campus VoIP Project.**

The Dodge City Board of Trustees has decided to pull this bid for a future rebid. The rebid will include some possible locations that were not initially included in the original specifications. Once we know what additions we will need to add, it will be sent out as a new request.

We would like to thank you for your time and efforts on our behalf on this project.

It is unknown at this time when we will have decided upon the additional items, but we will strive to keep you informed as we proceed.

As necessary, any updates or supplemental information will be posted to the Dodge City Community College website. <https://dc3.edu/bid-requests-projects/>

If you have questions or need additional information please contact **Michael Webster.**

Michael Webster
Assistant Vice President of Information Technology/CIO
