

# Tax Credit Information Form

# Dodge City Community College

The following information is required for the application in the name of the donor/contributor that is receiving a tax credit in return for a donation to the college. The review and approval of tax credit applications will be conducted by the Department of Revenue through a web database. Dodge City Community College will have access to approved, pending and/or denied applications. An application does not guarantee approval and approved credits are on a first come, first served basis. Separate tax credit applications are required for each type of contribution.
